Course Overviews

EXPOSURE LIGHTS BIG NIGHT OUT Night Marathon

This year's night ride is a variation on previous years' courses melded with some exciting new sections. The route starts by climbing up onto Aberedw Hill and then, after a few kilometres of interesting double track, descends rapidly off the hill.

After a short spell on the road it heads up a second long climb and up onto Llanbedr Hill; here the route continues along double tracks and single track through heather moorland, finishing with a 3km descent back to Aberedw and onto Builth and a well deserved cup of tea.
